Re: SOCMA Urea Resins Group (EPA Log # 201-11814, 201-13060, 201-13551)
Submission of a Final HPV Test Plan and Robust Summaries under the
Chemical Right-to-Know Program

Dear Administrator Johnson:

On December 3, 2001, The SOCMA Urea Resins Group (SURG) submitted a test plan and robust summaries for 2-Imidazolidinone, 4,5-dihydroxy-1,3-bis(hydroxymethyl)-methylated (CAS No. 68411-81-4) under the High Production Volume (HPV) Chemical Challenge Program. On July 21, 2003 SURG submitted a revised test plan and robust summaries for this material. On behalf of the SURG members, I am pleased to transmit the following final documents:

- Final Test Plan, dated January 25, 2005.
- Appendix I: IUCLID Data Set w/ Robust Summaries, dated 12 December 2004.
- Export file of IUCLID Data Set above.

All three files plus an electronic version of this letter are on two diskettes, which are enclosed for your convenience. If there are any problems with the files on the diskettes, please let me know.

If you have any questions, please contact me at 703-619-6562 or
William.smock@verizon.net.

William H Smock
Executive Director

CC: SOCMA Urea Resins Group
