RE: Brominated Flame Retardants Industry Panel (BFRIP) Revised Data Summary and Test Plan

Dear Administrator Leavitt:

On December 20, 2001, the American Chemistry Council's (ACC) BFRIP¹ submitted a data summary and test plan for phenol, 4,4'-Isopropylidenebis[2,6-Dibromo-(TETRABROMOBISPHENOL A, TBBPA) CAS no. 79-94-7 to EPA's High Production Volume (HPV) Chemical Challenge Program. With this letter BFRIP is responding to EPA's request to revise the submission.

Please find enclosed the revised data summary and test plan as well as SIDS-level data robust summaries for TBBPA. BFRIP's technical contact and Panel Manager is Christopher Cleet. He can be contacted by phone at 703-741-5605 or by email at <Christopher_Cleet@americanchemistry.com>.

Sincerely yours,

Enclosures

cc: BFRIP Panel
Steve Russell, ACC

BFRIP member companies are Albemarle Corporation, Ameribrom, Inc. and Great Lakes Chemical Corporation. Akzo-Nobel is an associate member.
