**Re: Final HPV Submission for t-butyl alcohol (CAS No. 75-65-0)**

Dear Administrator Leavitt:

On behalf of the Propylene Carbonate/t-Butyl Alcohol HPV Committee and its members (Huntsman Corporation and Lyondell Chemical Company), attached please find the final submission for t-butyl alcohol (CAS No. 75-65-0) under the U.S. HPV Challenge Program.

The Committee views its HPV commitment for t-butyl alcohol as complete following its review of the available data; the development and submission to EPA of robust summaries and a test plan; the conduct of additional studies to fill data gaps; and, the development and submission herewith of updated materials following the completion of the test program.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Robert J. Fensterheim  
Executive Director
