RE: HPV Chemical Challenge Program

On behalf of Deltech Corporation (Sponsor ID _____), I am pleased to submit the test plan for vinyl toluene (mixed isomers; assume meta- and para-isomers in an approximate 60/40% ratio) (CAS No.: 25013-15-4). The robust summaries for para-methylstyrene are submitted as surrogate studies for vinyl toluene.

We understand this information will be posted on the internet for comments for a period of 120 days. Please contact me at pybaer@ulm.edu or 318-342-1698 if you have any questions.
