HPV Coordinator,

On behalf of BASF, I am submitting the Test Plan and Robust Summaries for Alcohols, C4, distn. Residues (CASNO 68551-11-1). This is an update of a draft submission made on 31 December 2003. The documents have been revised and are now ready for posting and review.

These are in PDF format (unlocked). If you have any questions or require the documents in another format please contact me by phone or email.

Best regards,

Elmer Rauckman PhD, DABT (for BASF)

Consulting Toxicologist
